

Announcing AUDITIONS FOR colibrí children's choir

Saturday, September 16, 2017

For 1st- 9th grade musicians

The **colibrí children's choir** is a community, auditioned treble choir for students in first through ninth grade. Students are selected on the basis of their aural and vocal potential, their desire to sing, their ability to learn quickly and their willingness to work hard. Children from public, private, parochial, charter, and home schools meet Sunday afternoons for rehearsals and musicianship classes, which are designed to teach music literacy. The choir performs at least two concerts each year and has appeared at McAllen's Christmas in the Park and Fourth of July program and other community celebrations. The choir meets in the Gallery of the McAllen Creative Incubator, 601 N. Main Street.
